

For State Cup game reporting, referees have been asked to verify the game score and enter any yellow or red card information.

Teams will likely have entered the game score by the time you do your report. If no cards or issues and game score is correct, you are finished. Otherwise enter what you need or correct the score as below.

First, click the link below.

Click - www.epysa.org

When the page opens

Select **Cups/Competitions** and click on the correct cup – NCS State Cup – Presidents Cup – Challenge Cup

When the page opens

Click on **Brackets**

When the page opens

Click on **Scoring Input** at **upper right hand corner**

When the page opens

Enter the pin **3640**

When the page opens

Enter the game number and click **Search**

When the page opens

Correct score if necessary

Add cards if necessary

Click **Save**

If the game number does not come up or the teams do not match the game you did, verify you selected the proper Cup. CC is Challenge Cup, NCS is National Championship Series; PC is Presidents Cup. If still not correct, reach out to your assignor to get the correct information you need before making any changes.
